

Kids pushing your buttons? Draining your energy? Out-thinking you? Arguing?

Don't miss this!

Kindred Hearts presents:
Love & Logic
Tuesday, March 20, 2012
Marshall High School Theater

Two Programs:

- 4:00 - 5:30 p.m. **after school** seminar for **teachers**
- 7:00 - 9:00 p.m. **community presentation**
(resource fair begins at 6:30 p.m.)

CEU credits available at each program.
Please call to register if you need daycare training hours for the evening presentation.

For parents and teachers!

This presentation is packed with skills you need to stop the arguments and back-talk, guide children to solve their problems, and discipline with empathy and logical conclusions. Leave with specific strategies for challenging issues such as disrespectful attitudes, sibling fighting, class disruptions, handling the helpless hand raiser, chores, arguments, backtalk and whining. Teach kids to be independent leaders who can stand up to peer pressure.

Kindred Hearts: Heather Casella, M.Ed., Teacher
and Dr. Karen Arrett, Pediatrician

- **FREE** resources will be available at a Parent Resource Fair beginning at 6:30 p.m.
- **Love & Logic** resources will be available for purchase.
